	Average Monthly Use:	1500 kWh	2500 kWh	3500 kWh								
Average Price per kWh:	7.8¢	7.6¢	7.6¢									
<p>This price is the price that will be applied during your first billing cycle; this price may change in subsequent months at the sole discretion of Hino Electric Power Company.</p> <p>The price per kWh for electric service (the “<i>Service Rate</i>”) includes Hino’s energy charge to supply the Product to you (the “<i>Energy Charge</i>”) and a monthly base charge of \$4.95 per ESI ID (the “<i>ESI ID Charge</i>”). The Service Rate also includes the following recurring charges, all of which are passed through to you: (i) all recurring TDSP charges for the delivery of electricity (including any demand charges, as further described in the Terms of Service); (ii) all recurring Electric Reliability Council of Texas (“<i>ERCOT</i>”) or Texas Regional Entity (“<i>TRE</i>”) administrative fees charged to Hino, which may include Balancing Adjustments and/or Utility Adjustments (each as defined in the Terms of Service); and (iii) any other recurring third-party fees.</p>												
Other Key Terms and Questions	See Terms of Service statement for full listing of fees, deposit policy, and other terms.											
Disclosure Chart	Type of Product	Variable Price										
	Contract Term	Month-to-Month										
	Do I have a termination fee or any fees associated with terminating my service?	No.										
	Can my price change during the contract period?	Yes.										
	If my price can change, how will it change and by how much?	The Service Rate is based on an Energy Charge that will be applied during your first billing cycle, but may change in subsequent months at the sole discretion of Hino based on the fluctuation of wholesale market prices of electricity. You may monitor the rates for Hino’s Variable Price Product and view the historical prices of such Product by visiting http://www.hinoelectric.com or calling us at (956) 661-9955 or Toll Free at 1-877-446-6797 (or 1-866-446-6797).										
What other fees may I be charged?	The Service Rate does not include the following charges, all of which are passed through to you: (i) any state and local sales taxes or assessments (whether charged by municipalities, the PUCT or otherwise); (ii) reimbursement for the state miscellaneous gross receipts tax; (iii) non-recurring charges assessed by the TDSP (e.g., special meter read/test fees, installation and connection fees, disconnection and reconnection fees); or (iv) any non-recurring charges assessed by Hino.											

Disclosure Chart <i>(Continued)</i>	What other fees may I be charged? <i>(Continued)</i>	For more information on non-recurring fees charged by the TDSP or Hino, please see Section 8(b) in the Terms of Service, “ What Charges Are Not Included in My Service Rate? ”.
	Is this a pre-pay or pay in advance product?	No.
	Does Hino Electric purchase excess distributed renewable generation?	No.
	Renewable Content	This Product is [0]% renewable.
	Statewide average for Renewable Content	The statewide average for renewable content is [5]%.  Hino Electric Power Company P.O.
